

**Minutes of the meeting of the Planning & Environment Committee  
Held on Monday 24<sup>th</sup> March 2025 in the Council Chamber, Town Council Offices, TN13  
3QG**

Livestreamed and available to view on YouTube until approved by Council:

<https://youtube.com/live/Jf6lzbGQRBV>

Meeting commenced: 19:00

Meeting Concluded: 20:27

**Present:**

---

**Committee Members**

Quorum minimum of six members

Cllr Ancrum – Mayor	<b>Present</b>	Cllr Layne	<b>Apologies</b>
Cllr Camp – <b>Chair</b>	<b>Present</b>	Cllr Michaelides	<b>Present</b>
Cllr Dr Canet	<b>Apologies</b>	Cllr O’Hara	<b>Present</b>
Cllr Clayton	<b>Present</b>	Cllr Shea	<b>Present</b>
Cllr Daniell – Deputy Leader	<b>Apologies</b>	Cllr Skinner OBE – Vice Chair	<b>Present</b>
Cllr Dr Dixon	<b>Present</b>	Cllr Varley	<b>Apologies</b>
Cllr Granville	<b>Present</b>	Cllr Willis	<b>Present</b>
Cllr Gustard	<b>Present</b>	Cllr Wightman – Leader	<b>Present</b>

**Also in attendance:**

Town Clerk

Planning Committee Clerk

1 Member of the Public

**PUBLIC QUESTION TIME**

None.

**626 - APOLOGIES FOR ABSENCE**

As above.

**627 - REQUESTS FOR DISPENSATIONS**

No requests for dispensations had been received.

**628 - DECLARATIONS OF INTEREST**

No declarations of interest were made during the meeting.

**629 - MINUTES**

a) The Committee received the MINUTES of the Planning Committee Meeting held 10<sup>th</sup> March 2025.

It was **RESOLVED** that the minutes be approved.

b) The Committee received and noted the MINUTES of the Movement & Net Zero Working Group held on 10<sup>th</sup> March 2025.

### **630 - UPCOMING CHANGES TO THE PLANNING FRAMEWORK**

a) The Committee received and noted a report summarising the following upcoming changes to the Planning Framework, as planned by central Government:

- **New Planning and Infrastructure Bill**
- **Upcoming review of Statutory Consultee system**

b) It was noted that there would be opportunity for the Town Council to comment on the proposed revision to Statutory Consultees when details are published and consultation launched, with expected timeframe for this being Spring 2025.

c) Councillors queried whether a briefing could be arranged from Sevenoaks District Council Officers, to inform Councillors on how upcoming changes to Planning could impact town and parish councils in their decision-making processes. It was **RESOLVED** that this be requested, once further details have been published.

d) Cllr Shea raised concerns about the proposed reduction of Statutory Consultees, specifically in relation to water suppliers who are not currently included in this list. She reported that her recent correspondence to Local Parliament Member, Laura Trott – whereby she had requested that water suppliers be added to this list – had been met positively, with Laura Trott having agreed to forward the request to the Ministers involved. Councillors hoped that the upcoming review would reflect this request and add material weight to planning application responses submitted by water suppliers.

### **631 - LOCAL GOVERNMENT REVIEW - SEVENOAKS DISTRICT COUNCIL PROCESS FOR POTENTIAL TRANSFER OF ASSETS**

a) The Committee received notice that Sevenoaks District Council is proposing to introduce a Community Asset Transfer (CAT) process in response to the upcoming Local Government Reorganisation, which would see the District Council, amongst other neighbouring District and Borough Councils within Kent, merged into several unitary authorities.

b) It was noted that, in order for the District Council to consider transferring an asset to the local Town or Parish Council, there must be a clearly defined reason - being economic, social or environmental benefit to the local community - which demonstrates the benefit of the asset's service being transferred to the Town or Parish Council as opposed to being retained by the District Council and its successor. It was further noted that the interested party must also demonstrate its ability to manage the new assets sustainably and maintain their affordability to residents.

c) It was noted that the deadline for Expressions of Interest for any assets which the Town Council would wish to acquire is June 2025, with the second application / business phase of the CAT process expected to take place in October 2025.

d) The following key topics of note were discussed:

- While asset transfers processed prior to the pending Reorganisation cannot be overturned by the succeeding unitary authority, it was noted that there was an expectation that a moratorium will eventually be placed to stop further transfers, closer to the date of reorganisation.
- Due to the potential pending moratorium period, it was agreed that the Town Council submit an initial priority list of assets that it considers would be best managed locally, in order to direct Officer's time on the most pertinent of assets. A further second tranche may be submitted by the Town Council at a later date, once the biggest priority items had been processed.
- Members emphasised their intention to submit a second wave of proposed asset transfers which would benefit from being managed locally. Among the list of potential assets for future consideration is the Shambles and Bradbourne Lakes.
- Councillors agreed the importance of consistency in the approach of all District and Borough Councils in Kent towards any transfer of assets to their Town and Parish Councils, in order to maintain equality of opportunity and benefit of the local ownership for the Town or Parish's residents.
- The Councillors' view that any emerging asset transfers should be cost-neutral to both interested parties was further clarified to encompass the entirety of the asset transfer list collectively, as opposed to per item. This in order for assets with higher maintenance costs to be offset by the income from the more self-sustaining assets, thus achieving an equilibrium of maintenance costs transferred from the unitary to the Town Council.
- It was noted that the land on which the markets are hosted is not officially registered on HM Land Registry. This was in need of urgent rectification due to the basis for market charges by the District Council depending on its claim to the land's ownership. Councillors hoped that this could be done in conjunction with transfer of the asset to the Town Council.
- It was noted that the St John's Hill Car Park proposal is inclusive of the toilets, and that the Stag proposal similarly inclusive of the adjacent land to facilitate any future development. It was agreed that these clarifications be made clearer in the resulting submission to Sevenoaks District Council.
- On query as to the method of consultation on the assets which the Town Council was proposing to submit an Expression of Interest for, the Town Clerk clarified that a meeting would be arranged to engage with representatives of local Residents Associations in April 2025, and consultation held shortly thereafter with residents. This would likely include an exclusive Town Crier publication sent to all Sevenoaks Town addresses, with a survey to gather opinions on whether residents agree the

assets would be better managed at a local level, and with awareness that this could incur more costs locally and resource implications that the transfers could have.

e) It was **RESOLVED** that:

- Sevenoaks Town Council seek the transfer of assets, some of which have income generation and some which only have outgoing costs, with the aim that the collective asset transfers be cost neutral both to the new unitary council, and to the local taxpayer.
- Sevenoaks Town Council apply for the following assets in its first round of Expression of Interest and subsequent Business Proposals, for transfer from Sevenoaks District Council as part of the Local Government Reorganisation:
- Sevenoaks Town Council consider applying for additional assets in a second round of Expressions of Interest submissions at a later date, following completion of the below requests having been processed.
- Sevenoaks Town Council consult further with the local community in progressing the above and future asset transfer requests.

Asset to be applied for	ACV	Income Generating	Benefits for the Assets Being Transferred
Stag (including section of car park)	Yes	No	<ul style="list-style-type: none"> <li>• Local Control &amp; Decision Making</li> <li>• Improved Maintenance &amp; Use</li> <li>• Financial Efficiency</li> <li>• Greater Community Engagement</li> <li>• Preservation of Identity</li> </ul> <p>STC currently has long term lease.</p> <p>Key component of STNP Cultural Strategy</p> <p>Car park areas expansion in the future to increase sustainability.</p>

### **632 - KENT COUNTY COUNCIL HATTON HOUSE (ADULT EDUCATION CENTRE) UPDATE**

a) The Committee received notice that Kent County Council had published notification of its intention to “dispose of”, or sell, Hatton House – being the Sevenoaks Adult Education Centre.

b) It was noted that the Town Council had submitted an Intention to Bid on the property, as agreed to on 20<sup>th</sup> January 2025 when the full Council meeting considered the possible eventuality of the Education Centre being put on the open market. On query as to whether the Town Council was aware of whether West Kent Housing Association or any other community bodies had submitted their own Intention to Bid, the Town Clerk clarified that while this was not known, an advertisement had been published in the Chronicle announcing the intended sale.

c) The Town Clerk reported that Kent County Council has yet to confirm its intended sale price, however the Town Council had in the meantime scheduled a site visit on 7<sup>th</sup> April 2025.

### **633 - SEVENOAKS DISTRICT COUNCIL LOCAL DEVELOPMENT SCHEME TIMETABLE**

The committee received and noted Sevenoaks District Council’s recently approved Local Development Scheme timetable, which sets out the delivery timetable for its Emerging Local Plan 2040.

### **634 - RESULTS OF THE SPEED TESTS UNDERTAKEN ON ROADS WITHIN AND AROUND THE NEW 20MPH SPEED LIMIT**

a) The Committee received and noted results of the speed tests recently conducted by Kent County Council on various roads within and near the newly introduced 20mph roads.

b) Cllr Clayton expressed his concern that the map had not been accurately updated to reflect the exact extent of the 20mph speed limit, with some roads around the Vine being incorrect.

c) Key trends from the data were discussed, with resulting agreement that compliance aids should be explored and favoured in preference to enforcement measures.

d) It was noted that the speed test results were due to be discussed by the Sevenoaks Joint Transportation Board on 25<sup>th</sup> March 2025, and it was **RESOLVED** that Cllr Clayton be registered to address the Board on behalf of the Town Council. Should he be unable to attend the meeting, it was agreed that either Cllr Skinner or Cllr Wightman take his place, as Members of the Board.

e) Councillors considered that speeds will likely continue to fluctuate and decrease as the lifetime of the new 20mph scheme progresses, and the Planning Committee Clerk confirmed that Kent County Council's intention to continue monitoring the scheme over the next 12-36 months had been expressed in the Officer's report to the JTB.

### **635 - CORNER PROTECTIONS - RECOMMENDATION FROM MOVEMENT & NET ZERO WORKING GROUP**

a) The Committee received and discussed recommendation received from the Movement & Net Zero Working Group, for various locations within Sevenoaks to receive double yellow line corner protections via a Traffic Regulation Order. This to be proposed and funded by the Town Council.

b) On query as to the next steps for the Town Council to pursue this project, the Planning Committee Clerk clarified the following:

- Initial proposal to Kent County Council Officers for feedback and recommendation on placement, length and suitability of the location
- Proposal to the Town Council's Finance & Delivery Committee to approve funding for the project, estimated to be £6,809
- Informal consultation with local residents – during which the proposals could be refined, amended, added to or reduced
- Formal consultation via legal Traffic Regulation Order – after which the proposals may only be *reduced*, but not added to. This includes removal of some roads proposed in the original TRO or reduction of the proposed length, but does not permit alternative proposals or extensions of the proposed lengths.
- Potential referral to the Sevenoaks Joint Transportation Board, should the TRO receive more than five objections.
- Final decision to be made by Kent County Council.

c) It was **RESOLVED** that the various locations as indicated in the Agenda papers be approved and a formal Traffic Regulation Order be pursued by the Town Council in consultation with Kent County Council Officers and local residents.

d) It was further **RESOLVED** that the Town Council as scheme promoter make the following recommendation to the Finance & Delivery Committee:

- That the Town Council fund the informal and formal consultation for, as well as delivery of, corner protections by way of double yellow lines at various locations within Sevenoaks, to the estimated cost of £6,809.

#### **636 - AIR BNB - AGENDA ITEM PROPOSED BY COUNCILLORS**

Councillors considered whether they should adopt a stance as to the conversion of houses into Airbnb or alternative holiday-hire venues, following a recent planning application which had proposed to do so. This was not considered by Councillors to be a currently pressing issue, and it was therefore **RESOLVED** that the Town Council monitor the situation and revisit the potential adoption of a stance should the situation change or complaints be received from residents of any negative impact from houses being used for local holiday hire.

#### **637 - GREENSANDS SIGNAGE ON SEVENOAKS COMMON**

The Committee received notice that the Greensands signage proposed for erection at Sevenoaks Common by Kent Wildlife Trust in October 2024 is proposed for installation on Monday 24<sup>th</sup> March – Tuesday 25<sup>th</sup> March 2025.

#### **638 - PLANNING APPLICATIONS**

- a) No members of the public registered to speak on individual applications.
- b) The Committee considered planning applications received during the two weeks ending 17<sup>th</sup> March 2025. It was **RESOLVED** that the comments listed on the attached schedule be forwarded to Sevenoaks District Council.

#### **639 - PRESS RELEASES**

None.

There being no further business the Chair closed the Meeting.

Signed .....  
Chair

Footnote:

In accordance with Sevenoaks Town Council's Standing Order 13 and under Section 33 of the Localist Act 2011, the following Town Councillors have been granted a Dispensation as a dual hatted Councillor of both Sevenoaks Town Council and Sevenoaks District Council, to allow them to discuss and vote on matters where the only reason they would otherwise be prevented from taking part in discussion and voting is due to their membership of Sevenoaks District Council i.e. it does not permit Councillors to take part in discussion and voting automatically if they have a declaration of pecuniary interest unrelated to their membership of Sevenoaks District Council. This dispensation is valid until the next Town Council Election in May 2027, as per Minute number 241 resolved at the Town Council meeting on 24th July 2023:

- Cllr Sue Camp
- Cllr Tony Clayton
- Cllr Victoria Granville
- Cllr Chloe Gustard
- Cllr Claire Shea
- Cllr David Skinner
- Cllr Nick Varley

# Planning Applications Considered

Applications considered on 24-3-25

<b>1</b>	<i>Plan Number</i>	<i>Planning officer</i>	<i>Town Councillor</i>	<i>Agent</i>
	24/02079/HOUSE	Christopher Park 03/04/2025	Cllr Clayton	Designhomeplan Ltd
<i>Applicant</i>		<i>House Name</i>	<i>Road</i>	<i>Locality</i>
Mr Hosseini			71 Hillingdon Rise	Eastern
<i>Town</i>		<i>County</i>	<i>Post Code</i>	<i>Application date</i>
				13/03/25
<b>New vehicle access with paved parking area.</b>				

## Comment

Sevenoaks Town Council recommended refusal on the grounds that the surface proposed for the parking area is "crazy paving" which is non porous, and there is no sustainable drainage proposed.

## Informative:

If the applicant is able to provide a porous surface or drainage to prevent runoff, and able to ensure that no water runoff is misdirected to the sewer, the Town Council would be minded to recommend approval.

				07/03/25

## 24/03086/HOUSE - Amended plan

**Proposed Single Storey Side Extension, Attached Garage (Flank Elevation), Open Front Porch, Front and Rear Gable Roof Alterations, Rooms in the Roof incorporating Side Dormer and Rooflights, Increase in roof height.**

**A summary of the main changes are set out below:**

**Drawings received.**

## Comment

Sevenoaks Town Council recommended approval, providing the Planning Officer is satisfied with the following:

- That there will be no overlooking or loss of amenity to neighbours either side from the new windows, particularly from the velux windows,
- With the changes from the previously approved scheme,
- And that the design does not detract from the streetscene nor conflict with the Residential Character Area Assessment

## 24/03326/HOUSE - Amended plan

**Demolish existing rear extension. New two-storey front extension, first floor side extension, single storey rear extension, raise roof height to create second floor with habitable rooms. Changes to fenestration. New detached triple garage with habitable rooms above. Solar panels. Associated changes to landscaping.**

**A summary of the main changes are set out below:**

**Additional tree information submitted.**

### Comment

**Proposed by Cllr Gustard with Cllr Daniell's apologies:**

**Sevenoaks Town Council recommended approval subject to:**

- The Planning Officer being satisfied there is no loss of amenity to neighbouring properties
- The recommendations of the Arboricultural reports being followed
- The entirety of the TPO'd yew tree hedge, located at the rear boundary and referenced H1, being retained
- The Arboricultural Officer being satisfied with the tree safeguarding measures proposed

<b>Demolish single-storey rear extension and garage. New garage with accommodation above. New single-storey side and rear extensions with flat roofs and rooflights. Internal alterations, changes to fenestration. Alterations to landscaping.</b>				

## Comment

Sevenoaks Town Council recommended approval subject to:

- The Conservation Officer being content that these changes do not clash with the original house, and that they leave its identity intact
- The Conservation and Planning Officers being content with the materials used, particularly in the context of the original house, and
- There being no use of the garage accommodation able to be made independent of the main house.
