

# CCTV Provision within Sevenoaks Town Parish

## 1. Purpose of Report

Sevenoaks Town Councillors requested details of CCTV provision within the Sevenoaks Town Parish area, including locations where Sevenoaks Town Council (STC) operates cameras.

This report summarises current CCTV coverage within the parish area across both STC-managed sites and the wider Sevenoaks District Council (SDC) network.

## 2. CCTV Locations within Sevenoaks

A list of CCTV camera locations across the Sevenoaks Town Parish area, as provided by Sevenoaks District Council (SDC), is available in the supporting document:

- *Sevenoaks District Council CCTV Location Information 2024*

In addition, Sevenoaks District Council has provided a map indicating CCTV locations across the town.

- *MAP OF SDC CAMERAS TOWN CENTRE*

The accompanying map included with this report has been produced by STC using Parish Online.

- *MAP OF CCTV CAMERAS (STC and SDC)*

It incorporates camera reference numbers from the SDC 2021 location schedule, alongside additional locations identified from the map provided by SDC.

- STC-operated cameras are shown in pink
- SDC-operated cameras are shown in green

Information relating to STC-owned cameras has been supplemented through input from STC staff to reflect current on-site provision.

It should be noted that there are discrepancies between the SDC 2021 schedule and the more recent mapping provided:

- Not all cameras shown on the map appear within the 2021 location schedule
- Not all cameras listed in the schedule are represented on the map

As such, the information should be treated as a best-available representation of CCTV coverage rather than a fully verified or exhaustive dataset. STC is awaiting further clarification and updated mapping from SDC.

## 3. STC-Owned CCTV Provision

### The Vine

- 5 cameras located on the Pavilion

Coverage includes windows, doorways, café, and bandstand

### **Greatness Skatepark**

- 1 camera currently installed  
*This camera is now obsolete and awaiting replacement as part of the new Pavilion works.*

### **Sevenoaks Business Hub**

- 1 camera located at this site

### **Bat and Ball Community Centre**

- Front Entrance
- Reception Area
- Tennis Entrance
- Side of Hall
- Play Area
- Rear Walkway
- Main Entrance Doors
- External Main Entrance
- Car Park Rear
- Car Park Front
- EV Charger
- Tennis Rear

### **Bat and Ball Station**

There are four CCTV cameras covering .

1. The outside of the booking hall meeting rooms. One on the station side
2. and another for the roadside.
3. One covering inside Bat and Ball Cafe and
4. one covering outside toilet lobby.

The coverage is not extensive.

## **4. SDC CCTV Network Overview**

SDC operates an extensive CCTV network across Sevenoaks town centre and surrounding areas. Cameras are primarily located in:

### **High Street (very heavily covered)**

- 201 – Corner of High Street & Rockdale Road (above Sun-Do)
- 202 – Above Lloyds Bank

- 203 – Above Specsavers
- 204 – Boots / Buckhurst Lane corner
- 205 – Beside what used to be Tesco Metro
- 206 – Crossroads (Pembroke Rd / Suffolk Way)

#### **London Road corridor**

- 207 – Corner of South Park
- 208 – Bligh’s Walk junction
- 209 – Near Council Offices
- 210 – Railway Station

#### **Town centre side streets**

- 211 – Shambles Courtyard
- 212 – Dorset Street (near Strada)
- 213 – Bank Street / Well Court

#### **Sevenoaks District Council Offices area**

- 218–222 –
  - Underground car park (entrance + rear)
  - Gordon Road car park
  - Reception

#### **220 is on the map**

#### **Hollybush area**

- 227–232 –
  - Café frontage & rear
  - Play area
  - Bowls club & depot
  - Gardeners yard

#### **South Park Road car park (Stag Theatre area)**

- 238–241 –
  - Entry/exit

- Middle
- Near Stag Theatre
- Recycling area

238-241 on map

#### **Bradbourne Vale (multi-storey car park)**

- Cameras 1–16  
All inside the MSCP (mostly static, some PTZ)

The network includes a mix of:

- PTZ (Pan-Tilt-Zoom) cameras for active monitoring
- Static cameras for fixed coverage

Transmission methods include:

- Fibre connections
- Wireless links
- Network IP systems (notably in newer installations)

### **5. Key SDC Camera Clusters**

#### **Town Centre (High Street & Surroundings):**

- Multiple PTZ cameras positioned along the High Street and adjoining roads provide comprehensive coverage of the main commercial area.

#### **Transport & Civic Areas:**

- Coverage includes London Road, Sevenoaks Railway Station, and Council Offices, supporting public safety and traffic monitoring.

#### **Car Parks:**

- Significant CCTV provision exists within public car parks, including:  
Buckhurst 1 & 2 (including extensive internal camera systems)  
Bligh's and South Park  
Hollybush site  
Bradbourne multi-storey (multiple static and PTZ networked cameras)

#### **Public Realm & Open Spaces:**

- Cameras are located in areas such as Shambles Courtyard and near pedestrian routes.

### **6. Sevenoaks District Council (SDC) CCTV Upgrade**

A planned CCTV upgrade is anticipated for 2026.

- The programme is currently in the tendering stage
- The upgrade will apply only to existing infrastructure (no expansion of coverage at this stage)

## **7. Monitoring Arrangements**

SDC has advised:

- CCTV monitoring is not continuous
- The control room is closed for 16 hours per week, specifically:
- Tuesday to Friday, 9:00am – 1:00pm
