**Amended proposed plans received.**

**Amended proposal description:**

**Demolition of existing dwelling and erection of two detached dwellings and two detached double garages; creation of new access and hardstanding, extension of original driveway, formation of hardstanding and landscaping. As amended by plans received 25th March.**

**Sevenoaks Town Council recommended refusal on the following grounds:**

- I ) The proposal would represent a cramped form of development**
- II ) The excessive bulk and mass of the proposed development**
- III ) The proposal would be unneighbourly through a loss of amenity to 5A Burntwood Road and Mulberry House due to the neighbouring property's garden being situated to the front of the house**
- IV) The Residential Extensions SPD advises that garages should not generally be located in front of the build line. Other garages in front gardens in the road were built prior to the SPD coming into effect. These are only 2m from the pavement, with rooms in the roof.**
- V) The proposal is contrary to advice set out in the Residential Character Area Assessment SPD**

**Sevenoaks Town Council unanimously recommended refusal on the following grounds:**

**I) The proposal would be detrimental to the neighbouring listed building and garden**

**II) The proposal would result in parking and access issues to the new site, due to the very steep drive elevation.**
