455. House in the Basement Youth Café

455.1 Update Report

The Town Clerk introduced Daren Mountain who had been appointed as the new Manager of the House in the Basement Youth Cafe (HitB) on 1st January. It was noted that Daren had many years of youth work experience, including with SAYT, and had worked at the Youth Café since it opened.

Daren reported that he was working hard to promote the Youth Café in schools and through detached work, most recently at Bat & Ball Station. Attendance numbers were slowly increasing, with 13 young people attending the SEN evening the previous day, and 8 on the Saturday. He anticipated that warmer weather and lighter evenings would see confidence grow in young people and numbers increase. He advised that some work on young people's Covid experience was planned (as set out at Minute 458 below). He commented that whilst there had been some return to normality with schools returning, the level of disruption to young people had been significant. Councillors noted the huge impact of the pandemic on young people, particularly in terms of their mental health and confidence to engage with activities.

The Committee welcomed Daren to his new role and wished him every success.

455.2 Finance Report to 31st November 2021

RESOLVED: That the Finance Cost Centre report for the House in the Basement Youth Café to 31st November 2021 be noted.

456. Sevenoaks Youth Council

It was noted that the inaugural meeting of the new Youth Council had been held on 3rd November 2021. At that meeting Youth Councillors had taken part in a workshop to discuss issues and share ideas for Sevenoaks Town: these would form the basis of a two-year work plan for the Youth Council.

RESOLVED:

- To receive and note the Minutes of the Youth Council Annual General Meeting held on 3rd November 2021
- To receive and note the notes of the Youth Council workshop held on 3rd November 2021.

457. Reports from Co-opted Partners

Noted reports from Co-opted Partners:

(i) Kent County Council (KCC)

It was noted that Sarah Gaunt had left KCC. Her replacement would be taking up the post on 1st February 2022. She would be contacted and invited to join the Committee.

(ii) Sevenoaks Area Youth Trust (SAYT)

Caroline Berry advised that SAYT's Youth Worker, Holly, had maintained contact with a regular group of young people and was looking forward to the lighter evenings and being able to meet outdoors.

Sevenoaks Town Council

A mini-Christmas party had been held at the House in the Basement for the SAYT youth group. Holly had contacted all church youth workers to promote the House in the Basement. Daren advised that he and Holly were hoping to work together to go into schools.

It was noted that recruitment continued for a second youth worker.

(iii) Sevenoaks District Council, Community Safety

Maxine Quinton reported that anti-social behaviour in Sevenoaks Town had reduced, it had been quiet over Christmas and the New Year. The hotspot continued to be the Town Centre Car Park with drivers taking their cars up to the top level, driving around late at night. When registration numbers were obtained a letter was sent advising that if they returned they would be issued with a S59 Notice by the police, which could result in their vehicle being seized. This seemed to be effective with none of those cars being seen again.

Maxine advised that: the judging panel for Volunteer Awards had taken place that day and that all nominees and their nominators would be invited to an event on 9th March 2022; a Big Sing event was being held on 7th June, which would also celebrate the Queen's Platinum Jubilee; and Kelly Webb had met with Play Place to start planning the Summer Fun Days.

(iv) West Kent Youth Services (WKYS)

Ben Reynolds presented his Quarterly Report for Sevenoaks Town, to 17th December 2021.

Ben commented that Sevenoaks was very quiet at the moment. He understood that there were young people at Hollybush and would expand the detached work to that area once the evenings got lighter. He had received leaflets from Daren promoting HitB which he was distributing. Ben also offered to drop hard copies of WKHA's Young People's Guide to Services into the Town Council offices.

Ben was pleased to report that the Sevenoaks Young Adventurers (8 – 12 group) was now at full capacity with attendance of 20 young people.

458. Sevenoaks District Council Young Person Mentor Project Plan

The Town Clerk reported that the House in the Basement Youth Café (HitB) was one of the partner hubs working with Sevenoaks District Council on its Young Person Mentor Project which was "aimed at providing young people with the opportunity to record the impact COVID-19 has had on them; gain access to mental health learning and support; give them the opportunity to try a new (or previously enjoyed) activity; and to pair them with a mentor for additional support. The young people targeted will also be signposted to other appropriate agencies and organisations. There will be one or multiple 'Exhibitions of Expression' as part of this project, designed with input from young people as the project progresses."

HitB would receive funding as follows:

Sevenoaks Town Council

1. £750 to work with young people (target 25 young people) to record (however the young person wishes and can practically be achieved) the impact of COVID-19 on them and their lives and their hopes and aspirations for the future (including any impact of this project).
2. Up to £1,750 to pay activity fees for 25 young people (budgeted at £70 each). Where less is spent on activity fees, this can be used to supplement delivery of 1 above and, where deemed appropriate, extended to include the recordings of impact of COVID-19 by other young people attending the House in the Basement Youth Hub.

The activities proposed were a Skateboard event at Easter, which would take the form of a mini youth festival with music and stalls, and a trip for a group of young people during the Sumer holidays to Hastings indoor skateboard park. The events would also be aimed at young people who enjoyed watching the skateboarding, not limited to participants.

459. National Association of Local Council (NALC) Young People Case Studies

The Committee received and noted the NALC Young People Case Studies booklet which gave summary examples of good practice and demonstrated actions of benefit to local councils and the young people in their areas. The range of activities was noted.

The Committee felt that it would be useful if a grid could be prepared showing what people were doing and what the most popular activities were.

It was suggested that NALC be contacted to ask whether they had drawn any conclusions and could provide an executive summary. It would also be interesting to know whether local councils had been asked what they felt really worked and had made a difference. Cllr Parry agreed to raise this as an agenda item at the next meeting of the Kent Association of Local Councils (KALC).

The Committee also felt it would be interesting to compare the actions in the case studies to the issues being identified by young people in Sevenoaks. It was agreed that the questions considered by the Youth Council at their workshop in November, regarding the key issues they felt faced young people in Sevenoaks and suggestions for improvement, also be used to consult with young people at HitB, SAYT and through Ben's detached work.

460. Press Release

There were no press releases arising from this meeting.

There being no further business the Chairman closed the meeting.

- (ii) that the balance as at February 2022 was £1,834.60

4. House in the Basement Youth Café (HitB)

Daren Mountain, Manager of HitB, advised that the Youth Café was being relaunched following the extensive closure periods arising from the pandemic. A lot of focus was on promoting HitB, including Daren visiting schools. A half term trip to Bewl Water had been arranged.

Daren reminded Youth Councillors of the opening times:

Tuesday (SEN) 5.00 – 8.00 pm
 Wednesday 4.00 – 8.00 pm
 Friday 4.00 – 8.00 pm
 Saturday 2.30 – 8.00 pm

He invited Youth Councillors to come along, to use HitB as a place to meet friends and relax, or to volunteer. He also advised that it could be used as a venue if young people had a campaign or activity that needed space.

Daren also asked for suggestions for activities and ways to draw people to the café. Youth Councillors felt that the front of the Youth Café could be made more appealing, particularly by being lit at night. The Youth Council meeting was followed by an informal discussion where ideas and opportunities for Youth Councillors to contribute were discussed.

It was noted that HitB was working with Sevenoaks District Council on the Young Mentor Project and had prepared a survey to record the impact of Covid-19 on young people, their lives, and their hopes for the future. Youth Councillors were invited to complete the survey.

As part of the same project, a Skate Park Fun Day was being held at Greatness on Wednesday 6th April, 11.00 – 4.00 pm. There would be exhibitions from professional skateboarders and BMX riders, workshops, music and food from the funds provided for completing the survey. A visit to the indoor Skateboard Park in Hastings was also being arranged for the summer.

5. Youth Council Two Year Programme 2021 – 2023

The notes of the workshop were received. It was noted that key questions considered at the workshop had been included in the HitB Youth Survey, to obtain responses from a wider group of young people:

- What is the main problem young people face in Sevenoaks?
- What one improvement you would make to Sevenoaks? (Facilities, Clubs etc)
- What, in your opinion, should the Youth Council do for young people in Sevenoaks?

Youth Councillors welcomed the widening of the consultation and looked forward to considering all responses at the next meeting.

RESOLVED: To receive and adopt the notes of the workshop held on 3rd November 2021 to discuss issues and share ideas for Sevenoaks Town.

6. HRH The Queen Platinum Jubilee Celebrations

It was noted that there was an extended Bank Holiday weekend from Thursday 2nd to Sunday 5th June 2022 in celebration of HRH The Queen's Platinum Jubilee.

The Town Council was busy planning activities to mark the occasion including:

- participating in the national Queen's Platinum Jubilee Beacon Trail, with a lighting ceremony taking place by the war memorial from 9.30pm (beacon lighting at 9.45pm)
- a family event at Vine Gardens, including food/stalls/music from the 7 decades of The Queen's reign
- preparation of a Souvenir Brochure
- holding a make a crown competition
- a literary competition for young children based on "If I was Queen or King for the day....."

Youth Councillors were invited to forward any ideas to the Town Clerk, in particular suggestions for activities to engage young people of their age group.

7. Sevenoaks Town Council's Draft Green Community Investment Plan 2021

The Town Clerk presented the Draft Green Community Investment Plan, setting out the Town Council's aim to put in place affordable and practical initiatives with long term green benefits for the local community and to support and encourage residents to pursue individually. The Plan set out climate change initiatives under five themes: Buildings, Transport & Movement, Making Sevenoaks Greener, Consumption, and Information and Access to information.

She thanked Sevenoaks School for the detailed response they had submitted as part of the public consultation exercise.

Youth Councillors expressed their support for cycle paths and discussed some of the challenges this presented. It was noted that the powers to introduce cycle paths lay with Kent County Council who considered the strategy on a county wide basis. It was noted that changes to the Highway Code in favour of cyclists would help encourage more people to cycle, which in its turn could help to slow down traffic.

It was noted that the Plan set out practical things that the Town Council could do.

Youth Councillors expressed their support for 20 mph speed limits and also raised the issue of the unsightly Farmers Site by the railway station. They were advised that the Farmers Site was owned by developers who were not planning to develop the site in the near future. The Town Council however was looking to take action to improve the look of the outside of the site.

8. Youth in a Changing Climate

The Youth Council noted the Youth in a Changing Climate report prepared by Groundwork UK, a federation of charities mobilising practical community action on poverty and the environment. The report explored the perspective of young people, aged between 16 and 25, on climate change and discussed barriers which prevent young people from taking climate action.

9. National Association of Local Councils (NALC) Young people Case Studies

The Youth Council noted the NALC Young People Case Studies which set out examples of work with young people carried out by Town and Parish Councils.

10. Date of Next Meeting

It was noted that the next meeting would be held on Wednesday 23rd March 2022 in the Council Chamber at the Town Council Offices.

There being no further business the Chairman closed the meeting.

Easter & Summer Children's Activities

The Town Council is pleased to be providing a range of Children's Activities over the Easter and Summer breaks.

Family Fun Activities (Reconnect Funding)

The Town Council is hosting 10 afternoon Family Fun Activity sessions at Vine Gardens, provided by Play Place. This is funded by Kent County Council's Reconnect Locality Grant, which supports organisations and local authorities to help children and young people reconnect to their pre-pandemic lives.

The first two sessions were scheduled for February half-term. Despite the terrible stormy weather that week, the first event was held on Wednesday 16th February. Unfortunately, the Friday event had to be cancelled but will be rescheduled.

The next sessions are scheduled for the Easter break:

Wednesday 6th April 2.00 - 5.00pm

Wednesday 13th April 2.00 - 5.00pm

Followed by Summer sessions:

Wednesday 1st June 2.00 - 5.00pm

Wednesday 20th July 3.30 – 5.00pm

Wednesday 27th July 2.00 - 5.00pm

Wednesday 10th August 2.00 - 5.00pm

Wednesday 17th August 2.00 – 5.00pm

A further two sessions, dates to be confirmed.

Family Fun Days (Funded by Sevenoaks District Council)

As part of the District Council's Easter and Summer play provision, the Town Council is hosting two Family Fun Days:

Thurs 7th April 10.00 – 2.00 pm Bat and Ball Centre

Thurs 11th August 10.00 – 2.00 pm Greatness Recreation Ground

All entrants will receive a small chocolate gift, with the finder of the Golden Ticket winning an Easter Egg donated by The Chocolate Shop.

Summer Theatre Shows

Following the success of the previous shows (Wind in the Willows in 2020 and Alice in Wonderland in 2021) the Town Council is planning four performances this year of Goldilocks and Friends.

Featuring three individual traditional tales; Goldilocks and the Three Bears, Little Red Riding and the Three Little Pigs.

The dates are being confirmed but are likely to be in the week beginning 22nd August.

The venues will be:
