481 APPEALS

a) Councillors noted that the below appeal was allowed and planning permission granted by the Planning Inspectorate on 2nd December 2022:

- **APP/G2245/W/22/3301377: 20/03293/FUL – Pinehurst Nursing Home**

b) Councillors expressed their disappointment at the result, especially at the lack of provision of affordable housing and the acceptance of the developers claim that they would be unable to provide any.

c) Cllr Shea also expressed concern over the ramifications and precedent that allowing a development that proposes high density housing on a brownfield site with no affordable housing provision could have on future large developments in Sevenoaks.

485 SEVENOAKS DISTRICT COUNCIL LOCAL PLAN

a) The Committee received reminder that Sevenoaks District Council is holding its Regulation 18 public consultation on what its draft Local Plan ought to contain, and noted that this would run until 11th January 2023.

b) Councillors discussed the contents of the consultation document, and the following topics were covered in the Q & A session between Town Councillors and SDC Officers who attended the meeting remotely to present the document to the Committee:

- It was noted that the Optimum Plus option for housing supply, which proposed the highest density per hectare would still result in a shortfall of 4.5k housing units delivered during the lifetime of the plan. SDC confirmed that Officers were working with neighbouring authorities to try and mitigate this so that the minimum amount of Green Belt land would need to be released to meet SDC's requirement.

- SDC also clarified that Character studies completed on the various towns in Sevenoaks District, as well as the existing Town Centres Strategy would inform which proposed density options would be applied at each location.
- Cllr Shea questioned what the Local Plan was proposing for placemaking and how SDC would ensure adequate provision would be made in larger and denser developments for community infrastructure such as parks and shops.
- SDC Officers replied that design guidance would be provided for each site, and that positive placemaking would also be guided by Neighbourhood Development Plans and the local realm and health and wellbeing section of the Local Plan document.
- Cllr Dr Canet noted that the density in housing for older people could be made higher, if a positive balance could be made between placement and design, and asked what the District Council's approach to this would be.
- Officers stated that an older persons housing study had been conducted as part of the Local Plan evidence base in order to inform the District Council's approach to achieving the style of housing required for different groups of people.

c) The Chairman suspended Standing orders to allow for a representative of Seal Parish Council to participate in the Q&A session, who queried what conversations SDC had been having with neighbouring authorities on transport – for instance with speed, traffic flows, and the predicted effect on these that anticipated increases in infrastructure would have.

d) SDC Officers clarified to the above question that SDC had been working in collaboration with Kent County Council as well as Tonbridge and Malling Council via Jacobs to produce a county-wide transport model in order to predict the impact that various planned development and growth scenarios could have on the existing network.

e) Councillors noted that they could forward to the Planning Committee Clerk any additional questions that they had after the meeting, which would be forwarded to the SDC Officers.

f) The Committee noted that the Working Party comprised of Cllr Raikes, Cllr Shea and Cllr Parry would consider the information provided by Sevenoaks District Council Officers and provide a draft report to a future Planning Committee.

486 JOINT TRANSPORTATION BOARD AGENDA ITEM ON THE RESULTS OF KENT COUNTY COUNCIL'S PUBLIC CONSULTATION ON ITS PROPOSED TRAFFIC CALMING MEASURES

a) The Committee received and discussed the results of Kent County Council's public consultation on a 20mph zone in Sevenoaks Town and associated traffic calming measures, as published in the Agenda for the District Council's Joint Transportation Board.

b) The Committee received and noted KCC Cllr Streatfeild's proposed amendments to the 20mph zones, to be presented to the District Council's Joint Transportation Board on 13th December 2022.

c) The Committee reiterated its response to the public consultation as per Sevenoaks Town Council's Minute numbers 396c and 396e, the resolutions for which are outlined below:

- That STC reaffirm its supports for 20mph speed limits outside schools and where requested by the Residents Associations and local groups as per STC's NDP
- STC expressed support for proposals for a cycle lane going Southbound up Dartford Road
- STC opposed one-way proposals around the War Memorial on the grounds of protecting the Grade II Memorial, heritage assets, and listed buildings that face the Vine
- STC supported proposals for a zebra crossing at the Southern end of Dartford Road, as this reflects STC's request in its HIP for safer crossing to be looked at in this area

487 NEIGHBOURHOOD DEVELOPMENT PLAN

a) Councillors received and noted the Independent Examiner's draft report. The Town Clerk noted in particular the following paragraph of the report:

"It is clear to me that the implementation of the policies in the STNP (as modified) will secure the realisation of the Town Council's Vision and that Sevenoaks will retain its attractive characteristics while at the same time ensuring that a sustainable future is achieved."

b) It was noted that Sevenoaks Town Council Officers were still working with Sevenoaks District Council Officers on a response to the fact-checking report, as there were a couple of items that required particular attention. Approval of the report would therefore be deferred to the 19th December 2022 Planning Committee.

c) The Town Clerk provided the following update regarding the Town Council's hopes for a February 2023 Referendum:

- SDC had since reported that the final NDP document needs to be signed off for Referendum by its Advisory Committee and Cabinet, the next meetings for which are scheduled for 2nd March 2023 and 16th March 2023 respectively.
- A Referendum requires a minimum of 28 days advertisement before the scheduled date
- SDC's election team were therefore considering the possibility of combining the Referendum with the 2023 Councillor elections by way of adding an option to vote for or against the NDP on the polling cards
- Whilst the Town Clerk acknowledged that this was a significant and unfortunate additional delay, she also noted that it could potentially work in favour of the NDP and in the name of local democracy, as it may encourage more Sevenoaks residents to engage with and vote on the document.

- SDC were also exploring the possibility of an extraordinary meeting of the relevant Committees so that the NDP could be signed off for Referendum sooner, however this had not yet been confirmed as possible.

488 PLANNING APPLICATIONS

(a) No members of the public registered to speak on individual applications.

(b) The Committee considered planning applications received during the two weeks ending 5th December 2022. **It was RESOLVED** that the comments listed on the attached schedule be forwarded to Sevenoaks District Council.

489 PRESS RELEASES

It was **RESOLVED** that a Press Release be issued encouraging residents to look at and respond to Sevenoaks District Council's Regulation 18 public consultation on what its Local Plan 2040 ought to contain.

There being no further business the Chairman closed the meeting at 8:32pm.
