477 - TALK ON SEXUAL ABUSE, RAPE, AND GANG VIOLENCE

The Committee received a Talk from Claire Merton from Family Matters, which is a registered charity established in the 1990s to address the needs of support from survivors of Sexual Abuse and Rape. They also received accreditation from the Lime Culture for 2025.

They explained that their organisation is made up of admins who process the referrals, ISVA's (Independent Sexual Violence Advisors) who work with people over the age of 18 to help and support them, CHIVA's (Children's Independent Sexual Violence Advisors) who work with young people under the age of 18, GISVA (Gangs Independent Sexual Violence Advisors). As well as working with qualified therapists to help support survivors, they offer 12 weeks of support. However, it was noted that there were waiting times for these services.

They also work in partnership with a range of different groups, such as: The Police, Mental health, including: CYPMHS (CAMHS), Social services, adult and children, Domestic violence services, Substance misuse agencies, Witness Care, Sexual Assault Referral Centre (SARC), LGBTQ+.

The full PowerPoint displayed at the meeting has been attached in Appendix 1.

478 - HOUSE IN THE BASEMENT (HiTB) YOUTH CAFE

478.1 - HITB MANAGER'S UPDATE REPORT

The Committee heard that House in the Basement has been seeing the most young people since the pandemic and noted that there has been an increase of around fifteen young people attending the SEN Sessions on a Tuesday in comparison to this time in 2024.

Daren noted that the following events were taking place at House in the Basement over December:

- Open Mic Night, 5th December,
- Girls Night, 12th December,

Sevenoaks Town Council

- Arts Workshop, it was noted that HitB had received £150 to provide this workshop in partnership with Cygnets Art School from Sevenoaks Art Society. This is taking place on the 13th of December,
- Christmas Party, 19th December, facilitated by Perfect Cuisine.

478.2 - FINANCE COST CENTRE REPORTS

It was noted that House in the Basement was over budget by over £6,000. It was noted that this was mainly in staffing costs as well as the coach fees for the Broadstairs trip, which was around £850.

RESOLVED: To receive and note the Finance Cost Centre Reports.

479- ADDITIONAL ITEM- STAG YOUTH THEATRE GRANT APPLICATION

The Youth Services Committee noted they had received a grant request from the Stag Youth Theatre to help fund a feature-length film, which is planned to be filmed in early 2026.

The Committee received and noted that the balance of the 2025/26 Youth Outreach budget was £6,612.50

RESOLVED: That grant requests be awarded under the General Power of Competence (Localism Act 2011 Sections 1-8 refers) as follows:

Grant Ref No	Organisation Name & Charity Reg	Purpose of award	Grant Application	Grant approved
10a	Stag Youth Theatre	Towards the cost of producing a feature length film with the youth theatre, filming January to March.	£2,000	£2,000
Total awarded				£2,000

480 - INCREASE OF SEN PROVISION AT HITB

The Youth Services Committee received a request from HitB to consider the possibility of extending the SEN provision at HitB to enable them to cater for SEN young people aged 18-25. It was noted that the additional costs would be equivalent to a 1% rise in the precept. Funding was discussed and it was noted that not many funders included operating costs.

RESOLVED: For officers to explore funding opportunities for the project.

481 - YOUTH DEBATING CLUB AT HOUSE IN THE BASEMENT

The Committee noted that we have received a request from a resident who wanted to hold a Youth Debating Club and was looking at using the House in the Basement for a couple of hours.

It was felt that, given the information provided, there was not enough information to make a decision.

RESOLVED: For officers to arrange a meeting with the resident to obtain further details.

482 - REPORTS FROM CO-OPTED PARTNERS

482.1 - SDC- COMMUNITY SAFETY TEAM

Maxine reported that there had been a couple of incidents at the Bat and Ball Centre. It was noted that letters had been drafted and would be sent to homes by uniformed officers.

However, on the whole, the Town has been relatively quiet. It was noted that this included days such as Halloween, which in the past has seen incidents of ASB (Anti-Social Behaviour).

482.2 - SAYT

Dawn reported that the Tuesday group at the Multi-use Games area of the Bat and Ball Centre has been going well, with many young people attending the evenings. It was noted that they have been seeing more boys than girls and were keen to get more girls involved. Dawn also noted that it is quite nice to see that a few of the young people have been engaging with the ones who are new or a little bit quieter and getting them involved in games and activities.

It was also noted that their Thursday sessions have been quite popular, mainly seeing those who are a bit quieter on Tuesdays coming along. They are also planning a Christmas party in December.

Dawn also mentioned that they are keen to look at revamping the SAYT website and asked if anyone knew of someone who could help, they would be very appreciative. It was noted that perhaps a Duke of Edinburgh student may be able to help with this for their volunteering hours.

483 - RAIL SAFE FRIENDLY END OF CONTRACT REPORT

It was noted that the Darent Valley Community Rail Partnership have agreed to fund another 10 schools with Rail Safe friendly following last year.

Councillors noted the social value number for the project was £162,836.24, with 13 schools reached and 5,758 views.

484 - THURSDAY SUMMER BANDSTAND REPORT

The Councillors received the Bandstand report and noted that there had been some issues around noise from generators and around the power supply. It was noted that if something like this was to be considered again, they would like to consider alternative entertainment then a bouncy castle.

RESOLVED: 1) For officers to explore alternative family entertainment.

2) To explore possible funding/Sponsorship opportunities for the event.

485 - SEVENOAKS DISTRICT COUNCIL'S FAMILY FUN DAY REPORT

The Youth Services Committee received and noted the District Council's Family Fun Day Report.

486 - DEVELOPMENT OF EVIDENCE-BASED YOUTH SERVICES REPORT AND YOUTH SURVEY

The Committee noted that previous discussions regarding an evidence-based report on youth service needs had been too broad and required greater focus. The scope of the report was therefore refined to outline the following:

- Current provision by Sevenoaks Town Council, including the House in the Basement, The Stag, grants awarded to youth organisations, and the provision of relevant facilities.
- Identified gaps in provision, particularly the absence of detached youth work and the lack of community groups similar to the former Young Adventurers.

Following this, the Committee held a separate discussion on the recording of social value and noted that specialist software would be required to support this work. It was agreed that further consideration would take place once the youth service needs report had been compiled.

RESOLVED

- To produce a report on youth service needs, outlining current provision by Sevenoaks Town Council and identifying gaps in provision for Sevenoaks Town.
- To defer the youth survey until the new Youth Council had settled into its role.

487 - PRESS RELEASE –

The committee requested the following items be issued for press release:

1. To issue a press release on the successful grant application from the Stag Youth Theatre.
2. To issue a press release on the continuation of the Schools Rail Safe Friendly project.

What does the future look like?

- We are actively exploring a transition to the TST (Trauma-informed Support Team) quality mark.
- The TST accreditation offers a broader scope, encompassing Therapy, ISVA, and Support Line services, which aligns more closely with our integrated service model.
- This transition is part of our strategic objective for the coming year, contingent upon successfully securing the tender this year.
- While we recognise the increasing demand for our services and have ambitions to expand our team accordingly, our immediate priority remains focused on achieving tender success to ensure sustainability and future growth.
